

Life is too short, share some coat.  
A Warm Night to Remember - February 14, 2020

The “We Offer Warmth.org” ([wow.org](http://wow.org)), a non-profit organization that was founded nearly 5 years ago, has set **February 14, 2020**, as “A Warm Night to Remember” to extend support and help to our fellow countrymen survive the coldness of the winter season.

“We Offer Warmth.org” has been supporting the **Regeneration Outreach Community** by providing coats and any other winter gears for the people experiencing homelessness in Downtown Brampton. There are 922 individuals experiencing homelessness in Peel Region. Last year alone we worked to provide 100 winter coats and 500 pairs of socks for individuals experiencing homelessness in Downtown Brampton.

We rely solely on contributions from people like you to keep our program going. In order to continue to provide support to individuals experiencing homelessness, we are inviting you to participate in the event “A Warm Night to Remember” on the 14<sup>th</sup> of February 2020. A delectable dinner will be served and you can dance all night to celebrate Valentine’s day with someone dear to you. The ticket(\$100) will be good for two people, so you can take anyone who is special to your heart.

A single purchase of a ticket could buy a coat to keep an individual warm on harsh winter nights. All proceeds will be used to purchase approximately 150 winter coats. What could be more generous than spending the special day with your loved one and at the same time making a difference in the life of people experiencing extreme poverty and homelessness?

To show our appreciation, we will include the names of our generous donors in our next quarterly newsletter. Of course, the greatest benefit of all is the knowledge that you helped to provide coats to someone who truly needs it. You can choose to purchase tickets on our website: [www.Wow.org](http://www.Wow.org) or buy directly from our office located at Sheridan Davis Campus Room M25 and a receipt will be provided upon successful purchased. You can also choose to make a secure donation online through our website, should your schedule conflicts with the designated date and you only wish to support the cause.

For any questions about the event and future donations, please contact WOW.org at 1-800-123-4567. Thank you in advance for your generosity.
